The Program

Some of the things that the students will learn are parts of a sailboat, knot tying, the basics of rigging and de-rigging, capsizing recovery, identifying points of sail, wind direction and sail trim and sailing rules of the road. On the water safety is our top priority and practiced at all times.

Rockport Yacht Club has club-owned sailboats available for the sailing program students to use. The instructors will be on-the-water providing guidance and safety from a motor-driven safety boat as well as instructors being in place on the docks. Our instructors are enthusiastic, highly experienced sailors who have many years of experience running youth programs. Safe boating and safe behavior at the Club is the top priority of all concerned. Our classes are relatively small (8-10 students) to provide proper instruction to the young sailors.

All students must pass RYC's swim skills test to participate in the sailing program (to be conducted at the beginning of the program) and wear an approved PFD (life jacket) always when on or near the water. Preferred equipment list to be sent out at a later date.

During the program, the students will have an opportunity to crew on the RYC's Harbor 20 Sailboat, "Heidi", where they will learn how it differs from the dinghies they will be using in the program.

To reserve your child's place in the Summer Program, bookings must be confirmed and the down payment must be made no later than May 17, 2023 to participate in the June program. Please email the Youth Sailing Coordinator, Shannon Carney at shancarney01@yahoo.com with your child/s name, age, which Session you are registering for, shirt size and your contact details. You will then be contacted by the RYC Treasurer regarding payment. We can take cash, check or credit card.
